

Made from lightweight PVC panels, AIL Sound Walls are available in a variety of attractive colors and textures in both Standard and Upgraded Finish Levels.

Standard Finish Level

Our Standard Finish Level provides an economical and attractive sound barrier wall with smooth panels and galvanized steel posts.

Features:

- ▶ Smooth panels
- ▶ Four standard colors available
- ▶ Galvanized steel posts

Options:

- ▶ Add post sleeves and caps¹
- ▶ Add an embossed woodgrain texture to standard color panels

¹Not available on all post sizes.

Standard Finish Colors²

We offer four popular Standard Finish Colors that are designed to enhance any application: Gray, Adobe, Tan and White. Woodgrain texture can be added to any Standard Finish Color as an option.

²Color reproduction is subject to limitations of the printing process and/or screen viewing. Please ask your AIL Sound Walls Technical Sales Representative for actual

Upgraded Finish Level

Our Upgraded Finish Level captures the essence of traditional wood fencing in a durable PVC sound barrier wall. This finish level features woodgrain colored/textured panels accented by post sleeves, caps, top/bottom rails and reinforcement panels in one of our Standard Colors.

Features:

- ▶ Woodgrain colored/textured panels
- ▶ Two woodgrain colors available
- ▶ Post sleeves, caps, top/bottom rails and reinforcement panels in one of our Standard Colors³

Options:

- ▶ Choose a Standard Color for post sleeves, caps, top/bottom rails and reinforcement panels
- ▶ Add woodgrain texture to top/bottom rails and reinforcement panels

Upgraded Finish Colors³:

We offer two popular Upgraded Finish Colors to enhance any application: Green Teak and Honey Maple.

Accent Colors for Post Sleeves, Caps, Top/Bottom Rails and Reinforcement Panels:

³Top Rails are always needed, but are not available in Green Teak or Honey Maple colors. The requirement for bottom rails and mid-wall reinforcement panels varies with sound barrier size and other factors. Larger post sizes may require powder coat finish instead of sleeves. Ask your AIL Sound Walls Technical Sales Representative for details before ordering.
